

# Great Addington Neighbourhood Plan

February 2022

## Introduction

In November 2021, all residents living in great Addington were invited to an event to launch the development of a Neighbourhood Plan for the village. Those who couldn't attend the event forwarded their comments in writing via email or letter.

24 people attended, along with 7 people from the Council Neighbourhood Planning Group.

People were asked to comment against the following headings:

- Education
- Housing
- Green Space
- Infrastructure
- Heritage
- Employment
- Environment
- Transportation

## Summary

All comments have been captured and are listed below. Contact has been made with north Northants Council to decide how to move forward with the next stage in the process.

## Comments

### **EDUCATION**

"School"

"Parking"

"Incredibly important to keep a school in the village."

"Pre-school connected with school – new development?"

"Increase double yellow lines through village."

"Parking in village a safety hazard."

"Parking in Woodford Road by school staff pushes oncoming traffic to the wrong side and these are hidden to drivers exiting from Cranford Road. Accident waiting to happen."

"Off road parking, especially if increase in size of school."

"School is too small for the number of pupils, most of whom are driven in, causing huge parking problems."

"School is in wrong place"

"Move school to playing fields – proper plans needed showing amount of land required for playground and turn around car park"

"Controlled access in to school slowing traffic between GA and LA + speed limit"

## **HOUSING**

"Affordable"

"Social"

"Mix"
